

# JAWS 100<sup>®</sup> SERIES

**NozzTeq<sup>®</sup>**  
Taking Science to the Sewer<sup>®</sup>

866-620-5915

**7 YEAR WARRANTY**

## JAWS 100<sup>®</sup> NOZZLE

**HIGH EFFICIENCY - MAX POWER**

- The smaller version of the Jaws Sewer Nozzle.
- 7 Year Warranty on the nozzle itself and expected life span can be longer.
- Jaws 100 sewer nozzle is a Tier III nozzle according to NASSCO standards and operates at up to 97% efficiency.
- Low angle jet streams attack the debris at its weakest point with superior performance.
- Less wear on pump, lower fuel consumption, lower operating PSI at truck.
- HIGH QUALITY stainless steel construction for turbulent free water flow. Transports water to individual jets for a longer & farther jet stream.

**WHY Nozzteq? Because our Equipment is Engineered for Long Lasting Performance!**
