JAWS[®] SEWER NOZZLE

HIGH EFFICIENCY - MAX POWER

- The original sewer cleaning nozzle that set the standard for the industry with its patented water flow design.
- Jaws nozzle can be custom fitted to your truck. Ask us how!
- The Jaws sewer cleaning nozzle transports water to individual tubes for longer & farther jet stream.
- Less wear on pump, lower fuel consumption, lower truck PSI and 1 pass cleaning capabilities.
- Low angle jet streams, attack debris at its weakest point with superior performance.
- Jaws is Tier III nozzle according to NASSCO standards and operates at up to 97% efficiency.
